

V.S. Lectures, No.66.

THE MINIATURES OF THE VATICAN VIRGIL MANUSCRIPT

by Professor H. Buchthal, Ph.D., F.B.A.

The material which Professor Buchthal used for this lecture (delivered to the Virgil Society on 18th January, 1964) has been embodied partly in a review by him of Dr. de Wit's "Die Miniaturen des Vergilius Vaticanus" (1959) published in "The Art Bulletin" (December, 1963), and partly in an article entitled "A Note on the Miniatures of the Vatican Virgil Manuscript" to be published by the Vatican Library in a volume belonging to its "Studi e Testi" series dedicated to H.E. Cardinal E. Tisserant.
